

Have You Ever Dreamed of Becoming A STAR?

You can become a STAR by joining the Pinnacle Choral

The STAR Program

The STAR program is presented by the Parent Organization, better known as the POSSE (Parent Organization Supporting Singing Excellence). Acting as the booster group for the choral department, the POSSE funds and supports numerous activities. Money raised through the sponsorship of events and the STAR program goes directly back to support the students in the choral program at Pinnacle High School. Last Year, POSSE raised money to fund summer study scholarships, provide financial support for the annual choral retreat, purchased a variety of costumes, provided funding for musical accompaniment, and purchased materials and supplies for the choral department.

Please help the POSSE in its effort to provide financial assistance to Pinnacle's outstanding choral department.
Become a STAR today!

Your annual STAR contribution is a tax deductible donation.
